**Subject:** Commonwealth v. [REDACTED]

Hi Della and Annie,

I was wondering if you could send me the chemist packet in this case when you have a chance? The lab number is [REDACTED]  
[REDACTED] Also, because the weight is so close to 14 grams, the defense attorney filed a motion to independently have an expert weigh the drugs. The motion was allowed by the judge. Is this something that's been done in the past, and if so, what is the procedure?

Thanks so much for your help!

Kate
